- Uniform light distribution through professional light scattered optics

Quick touch
switch on or off the light

 0% 100%
Long touch
dim or bright the light

Technical data

Bulb type	LED
Light colour temperature	4000K cool white
Number of LEDs	30
Wattage / Lumen	2.75 W / 165 Lm
Supply voltage of Lamp:	24 V (DC)
Luminous efficacy	60 Lm/W
Energy efficiency class	A
Available for	Comfort-2 Eco/Flex Comfort-3 Eco/Flex/Scale Comfort-4 Eco/Battery Therapy chairs
