Comfort-1 Recliner

ART.-NR. 723C1R01

The Comfort-1 Recliner is the perfect blend of functionality and elegance, offering both practical use and an aesthetically pleasing, home-like atmosphere. Engineered for ease of use with detachable arms which allow effortless access, making it easier for patients to enter and exit the recliner, while durable castors ensure smooth mobility. The independent movement of the backrest and legrest helps the patient to find the optimal relaxing position during every treatment session.
